Node.js

PERSONAL PROJECTS

Wrist-Watch Enthusiast app
- Wrist-Watch Enthusiast app is a social app for watch lovers. A user will register and make an account. Once the user is logged in, they can upload pictures of the watches they have or whatever they are wearing on their wrist. On the main feed, another user can see the picture and if they like, message the owner of the watch. The two users can now meet up and admire their watches with the help of Google maps.
